

Alexandria Nicole Cellars

2007 LEMBERGER

This rich, dry red is deep in color with purple hues, showcasing hints of blueberries, plums, and black pepper aromatics. It received limited aging in both French and Hungarian Oak to express and protect the fruit profiles. This young, lively red has full flavor profiles of bright, pure fruit with hints of coffee, dried herb, spice, and a judicious amount of acid to go well with the lengthy finish.
