PRIVILEGES & PERKS

EXCLUSIVE MEMBERS ONLY ROOMS

Because our members are very important to us and we want you to relax and enjoy your tasting experience, we have created "Members Only" Wine Club rooms in both tasting rooms. As a member you will be able to taste the latest releases and wine tasting is more fun with friends and family so you can bring 2 guests into the Wine Club room at no additional charge three times per year.

CHARITY OF CHOICE

We enjoy partnering with our Wine Club members to support charities near and dear to your hearts. A randomly chosen wine club member's charity receives a beautiful etched jero-boam (3 liter) bottle of Alexandria Nicole Cellars wine. Many charities use this donation as part of an auction or drawing. Nominate yours at our tasting rooms to be awarded during our Wine Club release events.

NEWSLETTER

Members receive a wine release newsletter with winemaker notes and harvest updates with each allocations shipment. An electronic newsletter is also sent to members sharing event notices and information on our VIP partnership program with businesses throughout Wine Country to enhance your wine experience.

SECURE WEBSITE

For your convenience, you may access our secure website to update your information by logging into the Wine Club Members drop down on our website. This encrypted site is where you can manage your billing and contact information, order wine and access your automatic shipment receipts.

JARROD & ALI BOYLE FOUNDERS

We believe "It was Destiny" that allowed us this amazing opportunity to share our wines with you and while we may not know the circumstances that brought you to us, we are certainly glad you have chosen to join us!

Our wine story began in 1998 when we broke ground on Destiny Ridge Vineyard which is located in the Horse Heaven Hills and overlooking the majestic Columbia River. It was a dream in the rough. A few short years later, we began making handcrafted wines from our estate vineyard.

It is here in this unique terrior that we begin the process of nurturing the fruit quality from bud to bottle, believing that quality starts in the vineyard.

Our goal is to produce award-winning wines that can be enjoyed now or cellared for many years to come. Together with our team, we pay close attention to every detail from attentive viticulture management to winemaking and to creating a warm inviting atmosphere for your tasting experience to be enjoyed.

Our hope is that you will join us on this journey and be part of our wine club family for many years to come.

Cheers,

Ali

ELITE WINE CLUB OPTION

For those who like to purchase in larger quantities, we are introducing "Destiny" a new Wine Club level. Upon the purchase of a case or more of our reserve wines, you become eligible for membership. This club is exclusively for buyers who would like to purchase three or more cases of our specially selected wine club wines annually and has a limited number of spaces available. Members will receive three bottles of each of the release wines per allocation or as an elite member you can choose amongst the release wines to craft custom allocations. This level comes with special invitations to additional events as well as its own concierge who will be contacting you shortly after your application is processed.
