

Alexandria Nicole Cellars

2014 Rock Star Red

What happens when a winemaker and some Rockstars of the industry collaborate to create a blend that reflects the best of their individual perspectives? Alexandria Nicole winemaker Jarrod Boyle and the Rock Star Red crew have developed a blend that expresses a fusion of their experiences and tastes.

The 2014 Rockstars

Carrie Silveri – Woodberry Wine “bad-ass”

Therron Phillips – Alexandria Nicole Cellars TR “stud groupie”

Matt Dodson – Assistant Winemaker of Alexandria Nicole Cellars

Ruby Red in color, this wine is truly a Rockstar. Aromas of sweet chocolate, blueberry, and strawberry from the Grenache, blended with the soft and elegance of our Sara Lee Clone Syrah matched with complex nuances of spice and black pepper from our Estate Mourvèdre. This blend always is a stand out and as the label suggest can rock your world. On the Palate there are loads of dark berry, jammy plum with layers of black raspberry, rhubarb and notes of lavender all combine with the fruit-forward nose that fills your senses like the song “Do me baby” by Prince. While aging gracefully isn’t something most Rockstars are noted for, this beautiful blend shows age has no limitation and keep you wanting for years to come. The wine is bold enough that it will continue to improve with age and should show well through 2022. If opening prior to 2016, please decant thoroughly.

JUST THE STATS

ABOUT ALEXANDRIA NICOLE CELLARS

Founders Jarrod and Ali Boyle are dedicated to producing small lots of hand-crafted wine from our own Destiny Ridge Estate Vineyard. Through attentive viticulture management, balanced crop levels, gentle hand-harvesting and processing of grapes, and passionate winemaking, we produce consistent quality in every bottle. Located in the Horse Heaven Hills, our 327-acre estate vineyard is located high on the bluffs overlooking the majestic Columbia River. It is here, high on the dominate ridge, that our grapes thrive in these unique soils. It is here that our winemaker Jarrod nurtures the fruit quality from bud to bottle. Our belief is that quality starts in the vineyard.
