2013 ROCK STAR RED

What happens when a winemaker and some Rockstars of the industry collaborate to create a blend that reflects the best of their individual perspectives? Alexandria Nicole winemaker Jarrod Boyle and the Rock Star Red crew have developed a blend that expresses a fusion of their experiences and tastes.

Dark garnet in color, this wine is heaven in a bottle. Aromas of chocolate toffee, wild blackberry tart, and earthy spice from Grenache, blended with the bold and succulent strength of our Syrah and the stimulating structure of Mourvèdre, combined to rock your world. Loads of spice and fresh plum with supple layers of blueberry pie, strawberry jam, lavender, rhubarb and hints of white pepper, all combine with the fruit-forward nose that fills your senses like the opening song at your favorite rock concert. Like many Rockstars, this wine is young and bold, but will continue to improve with age. If opening prior to 2016, please decant thoroughly.

ABOUT ALEXANDRIA NICOLE CELLARS

Founders Jarrod and Ali Boyle are dedicated to producing small lots of hand-crafted wine from our own Destiny Ridge Estate Vineyard. Through attentive viticulture management, balanced crop levels, gentle hand-harvesting and processing of grapes, and passionate winemaking, we produce consistent quality in every bottle. Located in the Horse Heaven Hills, our 327-acre estate vineyard is located high on the bluffs overlooking the majestic Columbia River. It is here, high on the dominate ridge, that our grapes thrive in these unique soils. It is here that our winemaker Jarrod nurtures the fruit quality from bud to bottle. Our belief is that quality starts in the vineyard.
