2015 Rock Star Red

What happens when a winemaker and some Rock Stars of the industry collaborate to create a blend that reflects the best of their individual perspectives? A fusion of their experiences and tastes come together and develop what we call our Rock Star Red!

The 2015 Rock Stars

Kerri Lonergan-Dreke – Lombardi's Proprietor
Kristofer Korshaven – Lombardi's General Manager
Matt Dodson – Alexandria Nicole Cellars

Deep ruby red in color, this wine is truly a Rock Star. Aromas of milk chocolate, coffee, blackberry, and strawberry from the Syrah, blended with the elegance of our Grenache, and rounded out by the complex nuances of spice and black pepper from our Estate Mourvèdre make this wine truly stunning. This blend always is a stand out and as the label suggests, can rock your world. On the Palate there are loads of dark berry, plum, and layers of black currant, herb and notes of lavender. These all combine with the fruit-forward nose that fills your senses like the song "Do me baby" by Prince. While aging gracefully isn't something most Rock Stars are noted for, this beautiful blend shows age has no limitation and will keep you wanting more for years to come. Please decant.

ABOUT ALEXANDRIA NICOLE CELLARS

Founders Jarrod and Ali Boyle are dedicated to producing small lots of hand-crafted wine from our own Destiny Ridge Estate Vineyard. Through attentive viticulture management, balanced crop levels, gentle hand-harvesting and processing of grapes, and passionate winemaking, we produce consistent quality in every bottle. Located in the Horse Heaven Hills, our 327-acre estate vineyard is located high on the bluffs overlooking the majestic Columbia River. It is here, high on the dominate ridge, that our grapes thrive in these unique soils. It is here that our winemaker Jarrod nurtures the fruit quality from bud to bottle. Our belief is that quality starts in the vineyard.
