Tasting Notes

This Adulting Rose features an intriguing blend of Syrah, Counoise, Merlot, Muscat Canelli and Viognier. Aromas of fresh strawberry, cranberry, pomegranate and watermelon are alive on the nose which also displays a subtle floral component. The palate is loaded with more watermelon, Bing cherry, white peach and honeydew melon. The refreshing bubbles and cleansing acidity make this a perfect pairing for summer sunshine, backyard BBQs, a day at the beach or celebrating the completion of another day on earth. Serve Chilled and Enjoy.
