Tasting Notes

This uncommon bubbly blend of Sauvignon Blanc, Pinot Gris, and Muscat come together to form our latest Adulting sparkling white. On the nose, tropical hints of pineapple and mango mingle with notes of white peach and honeysuckle. A citrusy blast of key lime and lemon zest on the palate is complemented by refreshing acidity and a long-lasting finish packed with kiwi and honeydew melon. Serve very cold to retain its bubbly nature, pop a bottle to celebrate getting the laundry done, paying the bills on time, or the latest splurge of online shopping. Cheers!
