

# 2019 RESERVE VIOGNIER

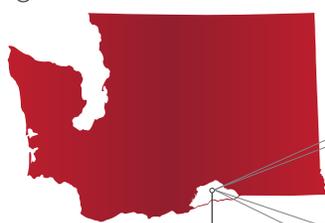

\$30 / 750ML. BOTTLE  
(RETAIL)

## TASTING NOTES

Know what's truly remarkable? That a wine can taste this fresh from an otherwise very warm vineyard site. Don't let the delicate appearance fool you, our estate-grown 2019 Reserve Viognier has intensely perfumed and complex aromatics of honeydew melon, honeysuckle, yellow peach, orange blossom and herbal tea. In the mouth, a creamy and luscious combination of ripe apricot and peach are followed by orange blossom, honeysuckle, spice and a quite lengthy finish. Pair with your favorite Asian cuisine, seared scallops, smoked salmon, chicken tagine, and fresh cheeses.

## VINTAGE

The 2019 vintage started off with a late winter with several days of below average temperatures in June. Heat units rose throughout the early summer providing an optimal window to ripen our cherished white varieties. An abnormal early frost of freezing temperatures throughout Eastern Washington made this vintage one to remember.

## ABOUT ALEXANDRIA NICOLE CELLARS

Founders Jarrod and Ali Boyle are dedicated to producing small lots of hand-crafted wine from our own Destiny Ridge Estate Vineyard. Through attentive viticulture management, balanced crop levels, gentle hand-harvesting and processing of grapes, and passionate winemaking, we produce consistent quality in every bottle. Located in the Horse Heaven Hills, our 327-acre estate vineyard is located high on the bluffs overlooking the majestic Columbia River. It is here, high on the dominate ridge, that our grapes thrive in these unique soils. It is here that our winemaker Jarrod nurtures the fruit quality from bud to bottle. Our belief is that quality starts in the vineyard.
