TASTING NOTES : ROSÉ

This Adulting Rose features an intriguing blend of Merlot, Cabernet Sauvignon, Syrah, Cabernet Franc, and Riesling. Aromas of fresh strawberry, cranberry, pomegranate, and watermelon are alive on the nose which also displays a subtle floral component. The palate is loaded with strawberry and raspberry crème, Bing cherry, white peach, and honeydew melon. The refreshing bubbles and cleansing acidity make it perfect for summer sunshine, backyard BBQs, a day at the beach, or celebrating the completion of another day on Earth. Serve chilled and enjoy.
