SPARKLING WINE

adultingwine.com

TASTING NOTES : WHITE

This bubbly blend of Muscat, Riesling, Albarino, Roussanne, and Viognier comes together beautifully to form our latest Adulting sparkling white. On the nose, this highly aromatic blend hits you with bright orange blossom, apricot, pear, and mandarin. A citrusy blast of key lime and orange zest on the palate is complimented by bright, refreshing acidity and a long-lasting finish packed with fresh stone fruit and savory minerality. Serve very cold to retain its bubbly nature, pop a bottle to celebrate getting the laundry done, paying the bills on time, or the latest splurge of online shopping. Cheers!
