

2023 a² ROSÉ “PINKY SWEAR”

750 ML. BOTTLE

TASTING NOTES

Luminous and rosy pink in color, our 2023 Pinky Swear shines in the glass. Fruit-forward, this Rosé is full of bright strawberry, watermelon, cranberry, and slight hints of white flowers. The palate is fresh and lively with notes of Mandarin orange and ruby red grapefruit. Fun and invigorating, this wine is made for sipping outside on a hot day yet is sophisticated enough for any wine-drinking occasion. With a medium body and a judicious amount of zippy acid, Pinky Swear will stand up to a wide array of foods from your favorite charcuterie board to wood-fired pizza, or in the spirit of keeping it simple it would be delicious with your favorite take-out spinach and strawberry salad. This wine perfectly pairs with a smile and with friends! We promise.

VINTAGE

The 2023 vintage brought a sigh of relief to growers and winemakers alike with its very typical Washinton growing season. The previous years' vintages were a rollercoaster ride of extreme weather, in contrast, the 2023 growing season began slightly delayed due to cooler temperatures and once it began it was nonstop - wrapping up with one of the earliest harvest starts in memory and a late October freeze. A hallmark of this vintage was the much lower yields. More about quality than quantity, the results were perfectly ripe fruit with an intensity and concentration that enhanced the vibrant characteristics of each varietal.

Located in the Horse Heaven Hills, our 327-acre estate vineyard is located high on the bluffs overlooking the majestic Columbia River. It is here, high on the dominate ridge, that our grapes thrive in these unique soils. It is here that our winemaker Jarrod nurtures the fruit quality from bud to bottle. Our belief is that quality starts in the vineyard.
