LEMON

NOSE

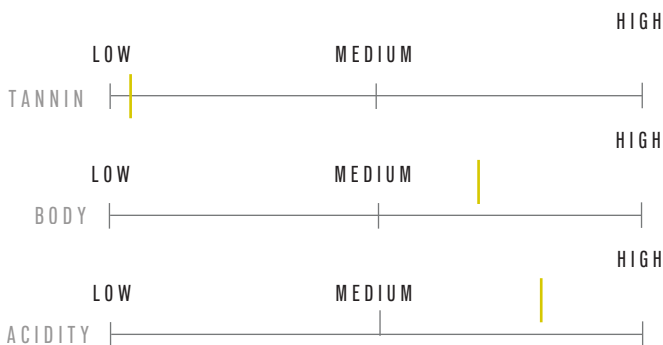

Fragrant and Inviting

The nose is a captivating blend of ripe stone fruits, with luscious nectarines and juicy peaches, alongside tropical hints of papaya and lemongrass. Bright, zesty citrus notes of clementines and lime zest add a fresh, clean edge, while delicate nuances of citrus blossom and white flowers elevate the experience, creating an intoxicating aromatic profile.

PALATE

Palate Rich and Luxurious

The palate is full-bodied and lush, with a voluptuous mid-palate that feels almost silky. This richness is beautifully balanced by vibrant, refreshing acidity, leading to a crisp, clean finish that lingers elegantly.
