COLOR

NOSE

Honey and Flowers

Honey drizzled over pears describes the aromas perfectly. With ripe stone fruit and floral notes of honey suckle, this wine is luscious but balanced with the zing of lemon twist.

PALATE

Fresh and Bright

Full bodied with a generous amount of bright acidity that is lively and fresh. Luscious tropical notes of mango and lychee add to the full-bodied mouth feel. More linear flavors of lemon zest and orange peel add structure to the palate and showcase the lovely fruit. A glorious partner with food and a perfect way to savor a summer sunset.
