NOSE

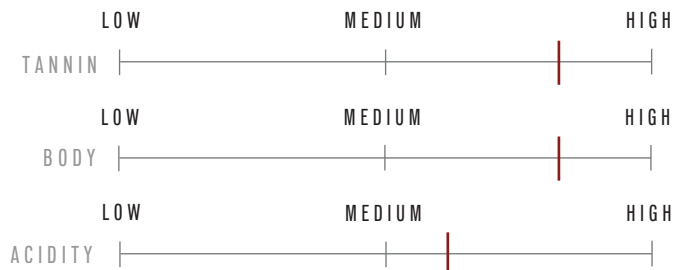

Intense and Layered

Kristin of SIP magazine knows her wine! Her Rock Star Red debut is characterized by sultry notes of chocolate covered cherries, sweet chai spices, a captivating aromatic profile that is both intense and enveloping. The nose reveals layers of fruit and spice that keep you applauding for more.

PALATE

Embracing and Generous

On the palate, this wine is full-bodied and warm, with a rich, embracing texture that fills the mouth completely. The initial fruit is complemented by smoky bacon and earthy notes, while hints of toasted oak add complexity. Medium-plus acidity keeps the flavors lively, and grippy tannins provide structure. The finish is generous and focused, lingering with echoes of chocolate, spice, and a whisper of dried herbs. We applaud that!
