COLOR

NOSE

Expressive and Impressive

An abundant, expressive nose of honeycomb, ripe Bartlett pear, and orange zest, are layered with dried apricot and a touch of warm spice that keeps everything grounded. We were absolutely floored by this wine – we think you will be too!

PALATE

Structured and Rich

Full-bodied and incredibly balanced, with flavors of poached pear, apricot, and golden apple on the palate. Hints of honeyed citrus, chamomile, and a touch of almond add richness, depth and texture. The finish is long and lingering. Effortless on the patio, yet finely structured creating an incredibly versatile food-pairing wine.
