NOSE

Bright and Brambly
Tart cherry, raspberry, and pomegranate lead the way, with brambleberry and violet adding a fresh, floral edge. Bright, lively, and a little spicy, this new addition to the portfolio fills the niche for a lighter, brighter red.

PALATE

Juicy and Refined
Sour cherry and baking cocoa meet savory, meaty notes with a touch of warm spice and wood. Juicy acidity keeps the palate light and lively, while a smooth, refined texture carries into a lingering, warm finish. Pair it with smoked meats or BBQ—the meatiness of the wine fades away, revealing layers of dark fruit and chocolate.
