COLOR

NOSE

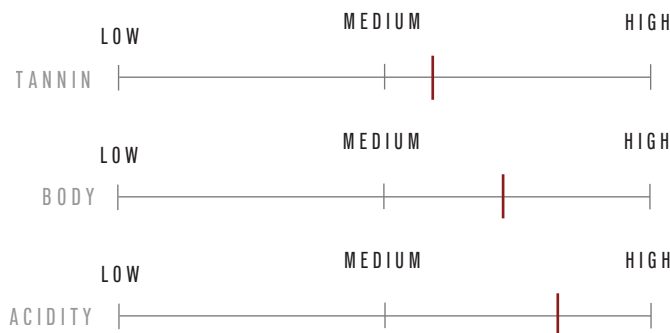

Aromatic and Spicy

Ripe summer raspberry, rose petal, and fresh red fruit lead, with dried oregano adding an herbal note. As it opens, light woodsy notes of cedar and warm vanilla emerge—this glass just keeps on giving!

PALATE

Complex and Generous

The evolution of this wine in the glass is stunning—and so much fun. It starts with cherry cola—think sweet, but dark—then opens up across the mid-palate with warm spice and a hint of white pepper. This wine is built for the table and for sharing with it's long, warm finish and balanced mid-palate.
